

DECLARATION

1. Our organization guarantees impartiality, independence and honesty of inspection, and is responsible for the results of inspection, keeping the samples supplied by the entrusting party confidential and at the same time protecting the ownership of the samples supplied.
2. The test report will be deemed invalid unless there are signatures (or stamps) of the inspector/ reviewer and authorized personnel and the red special inspection stamp of our organization.
3. If there any dissent on the report, the entrusting party shall notify our organization timely in writing. For the mandatory inspection given by government administrative departments, any dissent about the sample being tested or test results on the report should be dealt with in accordance with national regulations.
4. The test results shown in this report is only applicable for the sample(s) supplied directly by the customer and accepted by this test organization, and the customer is responsible for the representative of the sample(s).
5. All the pages of the report are integral parts of the report. Users without the written approval, shall not be part copy of this report.
